

Directions and Map to the Clay Lyle Entomology Complex

GEO: 33.453831; -88.801664

100 Old Highway 12

If coming by Hwy 82 from the east or west

On Hwy 82 take the Hwy 12 West exit (toward Davis Wade Stadium). At the first stoplight (Stone Blvd to the left, Russell St. to the Right) take a left, onto campus, and then an immediate right onto Sheely Circle. When Sheely Circle comes to a "T" take a right and an immediate left. Go straight through the stoplight (crossing Bully Blvd.) and take a right at the "T." Then, take the second left and Clay Lyle is on your right. Just inside the front door, you will be in the foyer and the administrative offices are on the right and Guyton's office is at the end of the hall to the left. If there is no parking in front of the building go past and there will be parking behind. *There are stairs behind the building to the second floor where the lobby and Guyton's office. Take the stairs on the right and Guyton's office is just inside the door.* (This door is locked at night and afterhours.) **For the first day of Bug and Plant Camp only the front door will be open.**

If coming by Hwy 12 or 25 from the south or west

Take the first Starkville exit (but not the old Hwy 25 one. You will see Wal-Mart on your left soon after exiting). After passing Hardees and McDonalds on the left and the Hampton Inn on the right the road forks. **Take the left fork** (Bully Blvd.) passing under Hwy 12. At the first stoplight take a right, then an immediate right and finally the second left. Clay Lyle is on the right.

If you missed taking the left fork (Bully Blvd) you can take a right at the next light onto Stone Blvd. followed by an immediate right onto Sheely Circle. When Sheely Circle comes to a "T" take a right and an immediate left. Go straight through the stoplight (crossing Bully Blvd.) and take a right at the "T." Then, take the second left and Clay Lyle is on your right.

Clay Lyle Entomology Complex (Lab or Building) to the Dorms (Clay Lyle, unfortunately, has many names).

You will leave Clay Lyle in the direction from which you arrived. When you get back to the bottom of the hill and the stoplight at Bully Blvd, take a right. Go through the next stoplight and up the hill. At the top the road will "T" and you should take a right and then the next right. The first building on the right is Cresswell and the second is Hathorn where Bug and Plant Campers will reside. There is parking behind the dorm.

Call us if you get lost!
